2555 County Borough Councillors Report

C. B. Cll'r. Leanne Jones was not in attendance at tonight's meeting however the members declared their disappointment over the naming of the roads at the new Cwm Celyn site. It was felt that the Community Council should have at least been included in the discussions over the naming and possibly been asked to suggest some names. As C.B Cllr Leanne was not at tonight's meeting, the Clerk was asked to contact her to see if she could provide any further information.

2556 The minutes of the meeting held on 8th May 2018 were accepted as a correct record.

2557 Matters Arising

There were no matters arising

2558 Delegates Reports

Cllr. Johanne Barnes reported on her recent meeting with members of the committee of Tonna RFC. She said that she and Cllr. Michael Rowlands had met with Tonna RFC to discuss the maintenance costs of the Defibrillator. Tonna had suggested that if the Community Council would come on board with a contribution for the battery etc., it could be made available for use by the whole village by housing it in a suitable box outside the Club. Possible costs were then discussed and the meeting decided to ask C.B. Cllr. Leanne Jones what her contribution was likely to be and report back to the next Council meeting for further and hopefully final discussion.

2559 Playgrounds

The Clerk read out an email from Paul Hinder / Eloise Stanton of NPTCBC up-dating the position with regards to grant availability and the amount of work that would need to be put in by the Councillors.

There then followed a lengthy discussion regarding the various points raised regarding the requirements of any grant aid. Cllr. Darren Harrison said that he would provide sample documents that would be required and these could then be amended to suit Tonna Community Council and circularised through the village to try to get the necessary support from the residents etc. In the meantime the sub-committee would arrange to meet regularly to carry things forward as quickly and efficiently as possible. The members were warned that such applications could take quite some time so patience may be needed.

2560 Wish List

Notice Boards. The Clerk said that since the last meeting he had received assurances via Cllr Bradly that the boards would be made available very quickly and therefore he had not sought other quotations, but the promises had not transpired. Cllr Mrs Enfys Evans said that this was not acceptable and insisted that new prices be obtained in time for discussion at the next meeting.

Welcome To Tonna Sign. The Clerk said that there had been no further progress on this matter.

Website. The Clerk said that the Council now had a new email address which was posted on the website

Tommy's. The Clerk said that the Tommy had now been ordered and was due for delivery to the School in 2 to 3 weeks

Dan Y Bryn. The Clerk reported that the levelling work had already been carried out and the goalposts were likely to be delivered during the next week. The job was now therefore likely to be completed fairly soon.

Dan Y Bryn Fence. The materials were now in and this job was likely to proceed in the near future.

Canal Seat. The Clerk said that an order had been placed and the job would be completed very soon.

2561 Correspondence

Tonna Hospital	Thank you letter for recent donation	Noted
C. Willis	Apology for delay in obtaining goalposts	Noted

2562 Councillors Honorarium

The Clerk reminded the meeting that the Councillors in attendance at the previous meeting had all decided not to claim the proposed Councillors Allowance of £150. He then informed that the decision should be on an individual basis and that therefore the three remaining members of the Council should now decide if they wished to claim the allowance. All three decided that they too would not be claiming the honorarium.

2563 GDPR

No further information.

2564 Adoption of Social Media Policy

The proposed Social Media Policy was circularised to the members prior to the meeting for discussion and adoption, however there was some objection to the wording. The new wording was suggested and Cllr. Carl Williams was appointed to discuss the final wording with One Voice Wales for their opinion in order that it can be presented at the next meeting for adoption.
