2672 County Borough Councillors Report

C.B Cllr. Leanne Jones apologised for her recent non-attendances which she said had been due to her need to attend other meetings. She then went on to up-date the meeting about recent events.

She said that she had £5,000.00 left in her Members Fund and had received some requests for help. She was mindful of the position with regards to defibrillators at Tonna. She also said that she had received a request for a piano to be jointly used by Tonna Primary Community School and Tonna Male Voice Choir. The Council agreed to support these requests and she said that she would therefore put things in motion.

She reported that the gas main works at Llantwit Road had been temporarily stopped due to health and safety requirements and would recommence in due course but with the road being totally closed.

Cllr. Huw Bradley raised a couple of issues regarding traffic in Tonna. He said that something should be done at the junctions with the main road through Tonna with particular emphasis on Wenallt Road, Whittington Street and New Street. These were particularly dangerous due to parked vehicles restricting the views up and down the street. He said that the parking by residents in Dulais Fach Road was also an issue. He felt that this could be resolved by painting double white lines which would force vehicles to stay on their own side of the carriageway. The County Borough Councillor noted these issues.

Cllr Ms Johanne Barnes raised an issue with the new Green Waste bins which would be particularly difficult for people throughout the village living in terraced houses who would have to bring these through their houses. C.B. Cllr Leanne said that she would find it very difficult to do anything about this as very shortly NPTCBC were even going to stop collecting black bags.

2673 The minutes of the meeting held on 8<sup>th</sup> January, 2019 were accepted as a correct record.

2674 Matters Arising

There were no matters arising.

2675 Delegates Reports

The Clerk reported that he had attended a Local Government Finance Training Session in Cowbridge on 24<sup>th</sup> January. He made a full report informing the meeting of various issues that may need to be addressed. Amongst the issues he said that the Council should have a Finance sub-committee. Following a short discussion it was proposed by Cllr. Simon Radford and seconded by Cllr. Ms. Johanne Barnes that the Accounts Monitoring sub-committee be renamed the Finance committee and that Cllr Bill Walter join Cllr's. Colin Powell, and Carl Williams on this committee.
